INNOVATIVE TEACHING

- 2019-present **[Character Animation Workshop](#)**, Experiential Learning Aid developed for UConn DMD 3200 Motion Design & Animation II
Collaborative, in-person character animation and performance workshop where students are provided with live-action puppetry tools to learn animation mechanics such as weight, timing, anticipation, and the walk cycle. They explore the differences and similarities between movement for performance, video, and animation through hands-on experimentation with bunraku puppetry. This workshop is influenced by and adapted from the work of Stephen Mottram, historical automata, and the concept of persistence of vision.
- 2018-present **[Photoshop Hero](#)**, Learning Aid/Game developed for UConn DMD First Year Curriculum
This in-class exercise is designed to enhance students' conceptual thinking and creative problem-solving skills by simulating real-world design scenarios. In this exercise, students respond to unexpected prompts using design sprints and rapid ideation, creating images, videos, or animations using the Adobe Suite, followed by a critique, preparing them for industry-standard practices and timelines.
- 2016-present **[Cameraless Animation Workshop](#)**, Experiential Learning Aid developed for UConn DMD 3210 Experimental Animation & Alternative Techniques
Collaborative, in-person film arts workshop where students are provided with clear 16mm leaders and various art supplies (ink, pens, inkjet prints, tape, paint, etc.) to create direct-to-film animation. They learn the differences and similarities between traditional film and digital video editing/animation through hands-on experimentation with film strips, film projectors, and analog media materials.
- 2015--present **[MGFX Bucks](#)**, Learning Aid/Game developed for UConn DMD Motion Design & Animation Curriculum
These custom-designed paper currencies, inspired by classic board games, feature key figures from the art, animation, design, and filmmaking worlds, combining presentation skills, financial literacy, and historical appreciation through interactive mock crowdsourcing exercises that simulate real-world budget management and investment decisions.
- 2023 **Internships, Handshake, & the Career Center with Tara Malone**, Guest Speaker & Workshop for DMD 4075 Senior Project.
Invited, organized, and facilitated guest lecturer to discuss professional development, networking, outreach, and job searches to DMD 4025 Portfolio & Professional Development.
- 2020-2021 **[Media & Content Creation for Education](#)**, Project-based, Service-learning, Design Course focused on delivering creative DEIA Educational Aides
Lead the creation of a series of collaborative elementary-middle schools school self-portrait workshops and content where students learn to embrace the beauty in their differences through self-portrait, game play, storytelling, and learning about artists from diverse and/or underrepresented communities (BIPOC, LGBTQ+, Women). Digital media, Design and Fine Art were used as a therapeutic mechanism for

expression, conversation and change.

- 2014-2016 **CT Innovations, Animation & Videos: SeeClickFix, PCCTG Cenuity, IsoPlexis, Umbie Dental Care**, Creative Director for UConn DMD 4040 Student Agency projects
Creative Director leading student teams to ideate, write, visualize, execute, and communicate design solutions, for various real-world clients, to define industry goals in consultation with CT Innovations, bringing project-based learning experiences into DMD 4040 Student Agency. Collaborators: William Congdon, CT Innovations.
- 2014-2015 **IBM TAP & iFundit, Site analysis & redesign**, Creative Director for UConn DMD 4040 Student Agency projects
Creative Director leading student teams to analyze current interactive experience, in consultation with IBM, to redesign the user experience for IBM TAP & iFundit, Collaborators: William Congdon, ATION Student Agency students, IBM
- 2015-2016 **Guest Speakers Series**, for UConn DMD 3230 Cinematic Storytelling.
Invited, organized, and facilitated guest lecturers to discuss their creative practice, storytelling, and how cinematic media influences their field for DMD 3230 Cinematic Storytelling.
- **Storytelling and Documentary with filmmaker Cristina Ibarra**
 - **Storytelling in Games with Patrick Bellanger**
 - **Leitmotifs, Performance, and Storytelling with Anna Lindemann**
 - **The Twilight Zone, The Plot Twist, and Storytelling with Dan Pejril**
 - **Storytelling in Games with Ken Thompson**
- 2014 **Movement Workshop for Animators with Scott Ripley**, Workshop developed for Digital Media & Design Department Workshop Series.
Organized and facilitated a guest lecture with actor Scott Ripley, who gave a movement workshop for animators, focusing on archetypes in performance and acting, as well as shared insights on their creative practice, storytelling through movement and the body. With Ripley, S., Pejril, D.
- 2013-2014 **What Is A Persona?, Advisor, Animated Infographic Video & Design**, Creative Director for UConn DMD 4040 Student Agency project
Creative Director leading student teams to create an explainer video for the UConn School of Business, based on a script by collaborators: Mary Caravella, William Congdon
- 2013-2014 **SkyBox, Advisor, Re-Branding, Website, Campaign**, Creative Director for UConn DMD 4040 Student Agency project
Creative Director leading faculty and student team to analyze and redesign the user interaction experience for UConn SkyboxCollaborators: William Congdon, ATION Student Agency
